Headteacher's Message

I am delighted to tell you that the Summer Fair was a huge success! We are unable to announce the final figure just yet as there are a few things that need to be finalised, however, we should be in a position to do so just after half term. We think it will be around £2,800.

I would like to take this opportunity to thank everybody who helped in the lead-up to the event, those who donated cakes and Rainbow Jars etc, those who helped to set up and clear up, and those who ran stalls. It was a fantastic team effort and we are very grateful to everyone involved.

I also wanted to thank everyone who visited the Fair on Saturday and helped to make it the success that it was.

Do not forget to have a go at your Reading Challenge!

Have a nice half term.
Mrs Cawson, Headteacher

Upcycled Robot Competition

The Upcycled Robots were excellent, there were some very creative ideas. Well done to all of the children who sent in entries.

It was very difficult to choose between them all but Tim Day in Emerald Class and Jamie Munro in Gold Class were awarded joint first place. Very well done!

Rainbow Jars

Thank you so much for all the wonderful donations of Rainbow Jars. There were some brilliant ideas.

Again it was very difficult to choose between them but the winner was Amy Keir in Gold Class who produced a jar in the colours of the rainbow. Well done Amy!

Name a Bear

The winning name for our bear was Digby. Matthew Harrison of Sapphire Class chose the winning name and Digby has now moved to his new home.

Ice Creams

Weather permitting, ice creams will be on sale in the playground after school today.

Tug of War Winners 2016

Diamond class

Last year's winners were Silver Class, who are now Diamond Class, and we are delighted to tell you that they have retained their trophy!

It was a tough battle and looked as though it could go either way right up until the last minute. Well done to Emerald and Gold classes who were the runners up.

100 Square

The winner of the 100 Square game at the Summer Fair was Sophie Hodgson who won 50% of the takings. The winning number was 99. Well done Sophie!

Milk Bottle Tops

We are still collecting plastic milk bottle tops which will be donated to a charity. All tops must be 'milk only' in any colour.

Father's Day Celebrations - Save the Date

On **17th June** we will be hosting a Father's Day Science Workshop event. We know that Mums can be scientists too, but we thought this would be a nice topic for children to do with their Dad or Granddad (we can only accommodate one person per child). The timings are as follows:

9.10am-10.10am — Year R

10.20am -11.20am — Year 2

1.30pm-2.30pm — Year 1

If you have more than one child in school you can choose which slot you would like to attend.

Family Rocket

The winners of the Family Rocket competition were Amy Keir and her family. When launched their rocket made it to the back of the Infants School field, which is approximately 80m. Well done Amy!
