**Review Date:** Spring 2020

### **Policy Statement**

As a school in the West Surrey Foundation the governing body of Walsh Memorial CE Infant School have accepted the agreed policy. In addition the Scheme sets out details of the action taken at Walsh Memorial CE Infant School.

### **Walsh Memorial CE Infant School Statement**

At Walsh Memorial CE Infant School we welcome, respect and value the wealth of experience that its diverse community brings to all staff, pupils, parents and governors. We provide a safe and secure environment that allows everyone to care, learn and shine. We recognise and celebrate the uniqueness of adults and children alike, and seek to provide equal opportunities for all, regardless of age, gender, race, ability, culture or religion. We are an inclusive school, where equality of opportunity is a reality for all our children, staff, visitors and community. We aim to remove barriers to success for all those in our school community and visitors. We recognise our responsibilities under the Equality Act 2010 to eliminate discrimination.

### **Introduction**

This policy sets out our approach to promoting equality, as defined within the Equality Act (2010). It covers sex, race, disability, religion or belief, sexual orientation, pupils who are pregnant, undergoing or who have undergone gender reassignment.

### **Principles and Values**

We are fully committed to equality of education and opportunity for staff, families and children and all those receiving services from us. We oppose all forms of unlawful or unfair discrimination including those on the grounds of: age, caring responsibilities, colour, disability including physical, sensory impairment, learning disability, ethnic or national origin, gender, HIV status, marital status, nationality (including citizenship), race, refugees, religion, seeking asylum, sex, sexuality, trade union membership, or working part-time.

We aim to provide our pupils with firm foundations that will enable them to fulfil their potential. We will seek to eliminate unlawful discrimination against pupils and staff by adhering to our duties as an employer under the legislation.

We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here

Therefore, we

- Will not tolerate discriminatory behaviour such as name calling, stereotyping, insulting remarks, offensive graffiti, undue pressure on individuals and bullying. We will not use literature that is biased and/or dependent upon stereotypes, nor will we allow the distribution of discriminatory literature or pamphlets or permit the wearing of offensive symbols

- Will take immediate and positive action against any discriminatory or prejudicial behaviours or offences whoever may be the perpetrator. Those responsible will be made aware of the establishment's opposition to discrimination and reasons will be given. Sanctions will be applied as judged appropriate according to the circumstances and having in mind a positive outcome.

We understand that Equality involves various things in our practices and provision including

- Recognising that people are different and that these differences must be equally valued and respected
- The provision of positive educational experiences and support to teach about equality and diversity and promote positive social attitudes and respect for all

We will pursue our equality duties to eliminate unlawful discrimination and harassment, promote equality of opportunity, and promote good relations and positive attitudes between people of diverse backgrounds in all its activities.

The principles of this policy apply to all members of the extended school community, pupils, staff, governors, parents and community members.

### **Promoting Equality**

The overall objective of this Equality Policy is to provide a framework for each school to pursue its equality duties to eliminate unlawful discrimination and harassment, promote equality of opportunity, and promote good relations and positive attitudes between people of diverse backgrounds in all its activities.

Each school is committed to ensuring that no pupils, staff, parents, guardians or carers or any other person through their contact with the school receives less favourable treatment on any grounds which cannot be shown to be justified. All West Surrey Foundation schools are committed to ensuring this in terms of all protected characteristics identified within the Equality Act (2010) i.e, sex, race, disability, religion or belief, sexual orientation, pupils who are pregnant, undergoing or who have undergone gender reassignment. *(N/B Age is a protected characteristic within the Equality Act (2010), but not in relation to pupils of any age in a school - schools may organise their curriculum or classes in any way they choose without fear of a claim of discrimination on the grounds of age).* In addition as part of good practice West Surrey Foundation schools also include other characteristics i.e, ethnic or national origin, language, marital or civil partnership status, age, responsibility for children or other dependants, trade union or political activities, social class and where the person lives.

### **Community Cohesion**
