

Walsh Memorial CE Infant School

School Development Plan 2019-2020

Mathematics

Working with the Junior School to implement the teaching for Mastery Maths Programme

Early Years

To develop opportunities for children to exceed in technology, being imaginative and exploring media

For vulnerable learners to achieve their Good Level of Development

English

To develop a structured programme in school for developing a wider vocabulary for all children

To continue to close the gap for vulnerable learners in reading and writing

SEND and Inclusion

For SEND children to receive quality first teaching from their teachers in class

For children in receipt of Pupil Premium to achieve their National Phonic Screening Check

Our school lays foundations for future success

by challenging and enabling everyone to thrive

Subject leadership

For Subject leaders to know the intent, implementation and impact of their subject

Premises

Apply to Tesco's for support for the Woodland Development Project.

To develop a working outside area for Year One

Religious Education

For the whole school community to contribute to the assessment of the Christian distinctiveness of our school in preparation for the new SIAMS framework

Well-being

Develop the new physical health and well-being curriculum

Prepare for the new Relationships and Sex guidance

Behaviour

To embed our school rules and improve the lunchtime atmosphere
