

Headteacher's Message

Dear Parents,

I hope you and your families have all had a restful weekend.

Your child's Bug Club log on details were sent out last week and we would welcome any feedback you might have on this programme.

We will be having three assemblies throughout this week and these will be saved in your child's class Teams area for you to view. One of the assemblies will be a certificate assembly and the other two will focus on collective worship. Class teachers will let you know when these have been uploaded to Teams.

Have a lovely week.

Kind regards,
Mrs Richmond,
Interim Headteacher

Little Stars!

This week we are celebrating the achievements of the following children who have received awards for exceptional work and wonderful behaviour or attitude to learning.

Head Teacher's Award

- Zainab
- Suyog
- Charlie E
- Ava
- Jessica T
- Charlie B
- Freddie
- Zoe

Class Teacher's Award

- Imogen
- Alexander M
- Marysol
- Madison A
- Sienna
- Olivia
- Ethan Ha
- Maddie L
- Emilia
- Gabriel

A very well done to these children!

Pause Day—Love

On Friday 12th February we will be having a pause day to learn and reflect on the value of love. We would like all the children to decorate a heart, it can be painted, felt tips, or drawn on the computer.

Please return your decorated heart to school. There will be a box left in the foyer that you can leave them in or send them to your child's class teacher via Class Dojo and we will display them at school showing the Love in our school community, although apart we are stronger together and all belong to our school community.

Please send your hearts to school by Friday 12th February.

Message from Mrs Wall

Thank you

We are so proud of all our families, children and parents with how well you are doing with the online learning.

Thank you for persevering when the technology has not gone quite as smoothly as we would have hoped.

You should all feel proud of your hard work. Keep safe over half term.

Kind regards,
Mrs Wall

School Lunches

Week commencing 8th February we will be on [Week 3](#) of the dinner menu.

Please see overleaf for highlighted changes this week.

Message from Miss Pullen

Dear Parents,

You should have now received your log ins for Bug Club along with a link to a welcome video. We will now begin allocating a level of book to your child and will soon be in a position to start sending books out for everyone.

Thank you to those who have sent me messages with Teams issues this week. There seems to still be problems viewing the calendar so I have logged this again with our IT people to try and resolve. Thank you again for your patience on this matter.

Please feel free to contact me if you have any other queries.

*Kind regards,
Miss Pullen*

Surrey's family Help hub

Have you ever wondered why your child is behaving a certain way? Is that behaviour typical? What could be causing it? Is something wrong? These are common worries for everyone looking after babies, toddlers, children and teenagers. **Surrey's Family Help Hub** developed by Surrey County Council, with help from its partners, is a site with a difference. You can search for information you need, based on your child's age and find advice, tips and tools from a variety of trusted sources, all in one place.

This is a new service that is being developed and only a small section of what is planned long term. The team developing this is looking for feedback to develop the site further in the coming months, so take a look and (with a chance to win £100 Amazon voucher), make sure you offer your feedback.... Check back in to the site when you can, as changes are being made all the time..

Jacket & beans		Jacket & beans		Jacket & beans		Jacket & beans		Jacket & beans	
Jacket & tuna with mayo		Jacket & tuna with mayo		Jacket & tuna with mayo		Jacket & tuna with mayo		Jacket & tuna with mayo	

Reminders

What to do if a member of your household is showing COVID symptoms

The main symptoms of coronavirus are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

(Most people with coronavirus have at least 1 of these symptoms.)

This is a reminder of guidelines sent out earlier in the autumn.

- The person showing symptoms should request a test and the entire household must self-isolate at home pending the test result.
- This means that you should keep your children at home until the result is received. Please inform the school on the first day of absence.
- If the test result is positive your whole household must continue to self-isolate until the date advised by the NHS. Please advise us of this date.
- Please keep in communication with the school and inform us if any other member of your household develops symptoms and subsequently has a positive test result, as this could impact on our school bubbles.
- If the result is negative we ask that you send your child back to school as soon as possible. Please send them in on the day that the result is received if that is practical, or on the next day if that is not feasible. If your child is the one who had the negative result they can return as soon as they are well enough. Please inform the school of the negative test result.

Please follow these guidelines very carefully to help us keep our community safe.

Dates for your Diary

Date	Event	Time
	Spring Term
