

Message from Mrs Wall

Dear Parents,

I hope you and your families had a lovely weekend. Thank you to all our families that have signed up for the parent teacher meetings this week.

If you have not yet signed up please phone the office or send a message via Class Dojo to your class teacher.

We are delighted with the children that are continuing to use our online reading books in 'Bug Club'. All children still have their own book allocation and we would encourage you all to read one of these books every day too.

I hope you all have a good week.

Kind regards,

Mrs Wall

Deputy Headteacher

Mrs Weston Leaving

This week we say goodbye to Mrs Weston who has given invaluable support as our TA in Sapphire Class for 3 years. We will all miss her, and wish her well in her future endeavours.

Inset Day

Our final Inset day of the year will be on Wednesday 21st July. The last day of term for children will be Tuesday 20th July. We will have an early finish on this day, with an approximate finish of 1.10pm.

Year R and Year 3 places offered

A reminder to parents that if you have a child going into Year 3 or Year R in September, you will need to accept or decline your school place by Friday 30th April, otherwise it may be withdrawn.

Little Stars!

This week we are celebrating the achievements of the following children who have received awards for exceptional work and wonderful behaviour or attitude to learning.

Head Teacher's Award

Yr R

- Danny
- Penelope

Yr 1

- Nathan C
- Charlie Br

Yr 2

- Annalise
- Charlie E

Class Teacher's Award

Yr R

- Daisy M
- Joe W

Yr 1

- Melody
- Jaxon S

Yr 2

- Reuben B
- Sydney

Well done to these children!

Mrs Gabbott and Mrs Vaughan fundraising hike for Macmillan

Mrs Gabbott and Mrs Vaughan are training to complete the Thames Path Mighty Hike on Saturday 17th July 2021. They will be walking 26 miles from Windsor to Henley to raise money for Macmillan Cancer Support. If you would like to support them, the link to their fundraising page is:

<https://www.justgiving.com/fundraising/hairyhikers2020>

They intend to complete the event, even if it is cancelled due to Covid restrictions.

Follow the link to their Facebook page where parents and children can see where they have been training. This will be updated regularly with pics and posts and it will also feature the sponsorship links.

Parent Interviews (via Teams)

We will be holding parent evening meetings via Microsoft Teams this week beginning Monday 26th April. You will have the opportunity to book a 10 minute meeting with your child's class teacher between 13.00 - 17.00 on the following dates:

Year R:

Tuesday 27th April or Thursday 29th April

Year 1:

Monday 26th April or Tuesday 27th April

Year 2:

Tuesday 27th April or Thursday 29th April

The online booking system on Scopay is now closed. If you have not booked an appointment, please contact the school office.

Meeting invitations will be emailed to parent email addresses in advance of your meeting time.

School Lunches

Week commencing 26th April we will be on **Week 2** of the new dinner menu as detailed below.

Class PE days—reminder

Monday: Ruby, Diamond

Tuesday: Silver

Wednesday: Gold, Emerald, Sapphire

Thursday: Emerald, Sapphire

Friday: Gold, Silver, Ruby, Diamond

COVID-19 Tests

We are aware that there is some confusion about the variety of COVID tests now available.

If a member of your family is **showing symptoms** of COVID-19 you must book a **COVID-19 PCR test**, either at a drive through centre or order a postal PCR test kit which is then sent off for PCR analysis. The results of these test normally come back within 24-48 hours.

The lateral flow, rapid COVID-19 tests are **not suitable** for anyone showing symptoms. These tests are for routine use for people who may be asymptomatic.

If any member of your household is showing symptoms you must book a PCR test for them.

If your child is returning to school following self-isolation you must contact the school office, before bringing your child onto the school site. You will need to confirm that a negative PCR test result has been received.

Week 2 – 26 Apr

<u>Monday</u>		<u>Tuesday</u>		<u>Wednesday</u>		<u>Thursday</u>		<u>Friday</u>	
Red BBQ Quorn sausage pasta bake & peas (v)		Red Mediterranean style pork meatballs with egg rice & sweetcorn		Red Roast British Chicken with stuffing, roast potatoes, green beans & gravy		Red Beef lasagne with spring salad & home-made croutons		Red Fish oven chips & peas

Pudding Summer fruit crumble with custard (v)		Pudding Mixed melon salad (v)		Pudding Citrus shortbread (v)		Pudding Selection of fruit yoghurt (v)		Pudding Vegan choc & beet brownie (v)	

Reminders

What to do if a member of your household is showing COVID symptoms

The main symptoms of coronavirus are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

(Most people with coronavirus have at least 1 of these symptoms.)

This is a reminder of guidelines sent out earlier in the autumn.

- The person showing symptoms should request a test and the entire household must self-isolate at home pending the test result.
- This means that you should keep your children at home until the result is received. Please inform the school on the first day of absence.
- If the test result is positive your whole household must continue to self-isolate until the date advised by the NHS. Please advise us of this date.
- Please keep in communication with the school and inform us if any other member of your household develops symptoms and subsequently has a positive test result, as this could impact on our school bubbles.
- If the result is negative we ask that you send your child back to school as soon as possible. Please send them in on the day that the result is received if that is practical, or on the next day if that is not feasible. If your child is the one who had the negative result they can return as soon as they are well enough. Please inform the school of the negative test result.

Please follow these guidelines very carefully to help us keep our community safe.

Asymptomatic testing information for parents and adults in households with children at school or college

NHS Test and Trace announced earlier this week, that all adults in households with school and college age children without symptoms can now access regular rapid coronavirus (COVID-19) testing (laminar flow test).

Test kits can either be collected or ordered online, as set out below.

Please share the information below with your parent networks to help answer any questions they may have:

Undertaking regular, rapid coronavirus (COVID-19) testing helps reduce transmission of the virus. Parents and other adults in households with children at school or college, who do not have symptoms, can now access regular, rapid coronavirus (COVID-19) testing. This includes childcare and support bubbles.

Tests are fast, easy and completely free. There are [different ways](#) for a household, childcare or support bubble to collect their test to take at home, twice-weekly:

- through your employer, if they offer testing to employees
- by collecting a home test kit from a local test site – anyone aged 18 or over can collect 2 packs of 7 tests
- by ordering a home test kit online – please do not order online if you can access testing through other routes, this frees up home delivery for those who need it most.

If you have any queries about the tests, and you live in England, please call 119 (free from mobiles and landlines). Lines are open every day from 7am to 11pm. Tests are **not available from schools or colleges**.

Children of primary school age (and below) without symptoms are not being asked to take a test.

Testing is voluntary, but strongly recommended to all who are eligible. Alongside the vaccine, washing hands, wearing face coverings, and maintaining social distancing, rapid testing plays a vital role in reducing transmission rates. Getting into the habit of regular testing as part of our everyday lives will help us all to play our part and do what we can to protect each other.

Dates for your Diary

Date	Event	Time
	Summer Term	
26th April	Parent Interviews—Year 1 (via Teams)	1.00—5.00pm
27th April	Parent Interviews—Year R, Year 1, Year 2 (via Teams)	1.00—5.00pm
